Key Opportunities

- Volunteer opportunities.
- New membership organisation "friends of the Looe Valleys Trails" to advise, maintain and fundraise.
- Work experience and placements for local young people.
- New heritage visitor hubs at Liskeard (Moorswater?) and Looe (Sardine Factory?).
- Heritage interpretation based on hands on engineering challenges - "how did they do that?"
- Adventure sports link to appeal to longer distance cyclists.
- Link to Man Engine
- New cycle hire, repair and servicing, and cafe opportunities at Liskeard and Looe.
- Link to railway to offer combined bike / train round trips. Perhaps steam trains?
- Stopping points along the trail with activities, art installations and interpretation.
- Marketing links to local bike-friendly accommodation providers.
- Opportunities for disabled access and horse riding on parts of the trail.
